Wishing to confine our business as near as possible to the CASH SYSTEM, we have determined hereafter to collect our subscriptions, determination into effect, we have placed our whole city list in the hands of Mr. WILLIAM GILL, who will make the collections, and also attend to the delivery of the Papers, and see | der of the water, on being removed from the hope this arrangement will be satisfactory to all parties. Those who may desire to save them selves the necessity of making four payments during the year, can, if they prefer it, pay in advance for the whole year.

CRISP'S GAIRTY-COMMENCEMENT OF THE REGULAR SEASON .- We believe this commencement will afford gratification to a large proportion of our citizens who feel and acknowledge that well regulated amusement is as attractions which Mr. Catsp presented last season, the efficient company he assembled, in a very limited period, the able manner in which the Theatre was conducted, and the order and decorum which attended the performances, met the approval of all who visited the Gaiety.

The citizens of Nashville have for many years desired a manager whose position, taste and liberality could command attractions and present us with the legitimate drama, sustained by a company whose talent would render the permances one harmonious whole, and not a thing of shreds and patches.

We have in Mr. Catsp a man whose fault (if he will excuse the expression) is to present the public with attractions which nothing but full houses and continued patronage con remunerate: where Stars have declined visiting our city to depend for their payment on the nightly attendance at the Theatre, he, with more faith on our appreciation and love for the drama, has at once assumed the responsibility and given large certainties.

A liberal Manager cannot be retained among us without a liberal patronage; if we are to have a theatre it rests with the community whether it shall be a first class, dignified. and refined recreation, or dwindle into the mockery which characterized the performances a short time previous to Mr. Carsp's advent. The Company brought together on the present occasion is certainly the largest which has ever been announced in Nashville. We trust the lovers of the histrionic art will all attend this evening to welcome the new comers, to judge their ability, making due allowance for an opening night-ever a severe test to an actor-and give Manager Crist a brilliant start to a s-ason, which we hope will have a brilliant and profitable close.

Fortunately, for me, I heard of Dr. Hoofland's German Bitters, and thought would try them, not however, with much faith that should be benefitted by their use. To my surprise I found that on taking a few doses I

was relieved of the pain in my side and chest, my appetite became good, I gained strength, and in fact felt stronger and in better health than I had for a long time. I do not allow myself to be out of the Bitters if I can obtain them, for nothing else does me any good I am willing at all times and ready to state my case t any one who may wish to know the full particulars. nd shall with pleasure recommend them to all who may be afflicted with Dyspepsia or Liver Complaint, for I believe if any thing will give them relief they will be relieved by Hoofland's German Rithers Ma y persons in this district have used the Ritters with neficial results, and I have no doubt you could get number of certificates were you to ask them, for to my certain knowledge quite a number have been very much benefitted by the use of your medicine.
